The screenshot shows the 'General' tab of a campaign creation interface. It includes tabs for 'General', 'Budget/Limits', 'Timezones', 'Targeting', and 'Sub IDs'. The 'General' tab is active. The form contains the following fields:

- Campaign Name:** A text input field.
- Campaign URL ?** A text input field.
- Does your ad contains adult content?** A radio button selection with options 'Yes' and 'No'. The 'No' option is selected.

A 'Save' button is located at the bottom left of the form.

名字任意设置，自己看得懂就行

Url，是你买流量后，刷的那个地址。

如果网站用 pvtraffic，可以直接刷网站网址

如果想直接刷点击，建议用 fraudtraffic cloak 后的页面，例如下图

The screenshot shows a close-up of the 'Campaign URL ?' field. The URL entered is `index.php?mn=15`. Below the URL field is the question 'Does your ad contains adult content?'.
